ANNEXURE TO NOTICE
EXPLANATORY STATEMENT
(Pursuant to Section 102 of the Companies Act, 2013)

Item No. 3

Shri Ram Rai Kabra was appointed as an Additional Director of the Company with effect from 14th December, 2017 by the Board of Directors of the Company. Pursuant to the provisions of Section 161 of the Companies Act, 2013, he holds office as a Director only upto the date of the ensuing Annual General Meeting. The Company has received a notice in writing from a member under the provisions of Section 160 of the Companies Act, 2013 proposing the candidature of Shri Ram Rai Kabra for the office of an Independent Director. Shri Ram Rai Kabra is B.com from the University of Rajasthan and is having more than 40 years rich experience in various departments. He has a rich experience of working in budget & costing department. He has also engaged himself in production planning & dispatch planning.

The resolution seeks the approval of members for the appointment of Shri Ram Rai Kabra as an Independent Director of the Company for a period of three years from 14th December, 2017 pursuant to the applicable provisions of the Companies Act, 2013 and the Rules made thereunder. Shri Ram Rai Kabra is not liable to retire by rotation.

In the opinion of the Board of Directors, Shri Ram Rai Kabra fulfils the conditions specified in the Companies Act, 2013 and the Rules made thereunder for his appointment as an Independent Director of the Company and he is independent of the Management. A copy of draft letter for the appointment of Shri Ram Rai Kabra as an Independent Director setting out the terms and conditions is available for inspection without any fee by the members at the Company's registered office during normal business hours on working days.

None of the directors, key managerial personnel or their relatives, except Shri Ram Rai Kabra to whom the resolution relates, is interested or concerned in the resolution. The Board recommends the ordinary resolution set forth in Item No. 3 for the approval of the members

Item No. 4

The Board of Directors, on the recommendation of the Audit Committee, has approved the appointment and remuneration of M/s. M. Goyal & Co., Cost Accountants, Jaipur as the Cost Auditors of the Company to conduct the audit of the cost records of the Company for the financial year ending 31st March, 2019 at a remuneration of ₹ 50000/- per annum plus applicable taxes and reimbursement of expenses upto ₹ 25000/-.

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors, has to be ratified by the members of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at item No. 4 of the notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending 31st March, 2019.

None of the Directors, key managerial personnel or their relatives is, in any way, concerned or interested, financially or otherwise, in the said resolution set out at item No. 4.

Item No. 5 & 6

Keeping in view of Company's existing and future financial requirements for furtherance of its business operations, Company may require additional funds for smooth functioning of its operations. For this purpose and as per section 180 (1) (c) of the Act, the Company is desirous of raising finance from various Banks and/or Financial Institutions and/or any other lending institutions and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit, which, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) may exceed the aggregate of the paid-up share capital, free reserve and securities premium. Hence, it is proposed to increase the maximum borrowing limit up to ₹ 250 Crores or aggregate of its paid-up share capital, free reserve and securities premium, whichever is higher and for this approval of members is required. The requisite authorization is required to be given to the Board and its committee to avail funds from the Banks and/ or Financial / Lending Institutions and/ or Body Corporate(s) or from any other sources up to the aforesaid limit of ₹ 250 Crores or aggregate of its paid-up share capital, free reserves and securities premium, whichever is higher.

In order to facilitate the borrowing made/to be made by the Company, it would be necessary to create charge on the assets or undertaking(s) of the Company in favour of the lenders upto the said amount of ₹ 250 crores (Rupees Two Hundred & Fifty Crores only) subject to the approval of members by special resolution.

None of the Directors or the Key Managerial Personnel or their relatives are interested or concerned financially or otherwise in the aforesaid resolutions.

The Board commends the Special Resolutions as set out in item numbers 5 & 6 of the Notice for the approval of the members of the Company.

OPERATIONS

The performance of the Woollen division of the Company has been satisfactory over past few years inspite of stiff competitions in the domestic and International markets. During the year under review the turnover of the Woollen Division of the Company is ₹ 145 Crores as against ₹ 148 Crores in the previous year. The Yarn division of the Company has started its production during the year under review and has turnover of ₹ 20 Crores. Your company has been able to generate the profit of ₹ 7.45 Crores during the year under review as against ₹ 9.05 Crores in previous year.

TRANSFER TO RESERVES

The Company has not transferred any amount to reserves during the year under review.

DIVIDEND

In view of accumulated losses, your directors are unable to declare any dividend for the year under review.

EXPORTS

The company is one of the largest exporter of worsted and blended woollen yarn from India. During the year under review, Company achieved export turnover of ₹ 95 crores as against ₹ 104 crores in previous year. Consistent efforts are being made by the Company to ensure sustainable leadership for its products in global market. Woollen division has also initiated efforts to retain existing customers base and exploring new customers in overseas market with different product range in worsted yarn so as to achieve improved performance and profitability in the ensuing period.

FUTURE PROSPECTS

The fundamental strength of the textile industry in India is its strong production base of wide range of yarns made from natural fibres like silk and wool to synthetic / man-made fibres like polyester, viscose and nylon. India's textiles industry contributes 10 per cent to the manufacturing production of India. It contributes 2 per cent to the GDP of India and employs more than 45 million people. The sector contributes 13 per cent to the export earnings of India. Exports of textiles from India reached ₹ 1.2 trillion (US\$ 18.57 billion) during April - September 2017. The size of India's textile market as of July 2017 was around US\$ 150 billion, which is expected to touch US\$ 250 billion market by 2019, growing at a CAGR of 13.58 per cent between 2009-2019.

In view of current ongoing trade difference between two major economies of the world India could get better pace in export growth.

The worsted yarn segment of Textile Industry is moving ahead and likely to grow fast in coming years. The turn of woollens as a fashion fabric in global as well as domestic markets, coupled with renewed attention on speciality and high value added yarns will be growth drivers for woollen division of the Company. In spite of various challenges including rising input costs, restrictive labour laws and intensified competition from other low cost countries, the growth prospects of the Woollen division of the Company are bright due to ongoing efforts of management for improving operational efficiency, cost reduction and better management of available financial resources. Your company is expecting improved performance of woollen division in coming years. The company also hopeful to increase the operations of yarn Division situated at Raila in the next year.

**ANNEXURE "G" TO THE BOARD'S REPORT
MANAGEMENT DISCUSSION & ANALYSIS REPORT**

The Company is one of the biggest manufacturers and exporters of wool and blended worsted yarn from India. Modern Woollens (A unit of Modern Threads (India) Limited), having its plant at Bhilwara, Rajasthan, is a highly acclaimed name, as manufacturers and exporters of wool and blended worsted yarn from India. The Company has achieved an international pre-eminence in the field of processing wool during the course of time. Enforcing strict quality control in a well-equipped laboratory with 'Inter-Wool Lab' accredited measuring instruments.

I) INDUSTRY STRUCTURE AND DEVELOPMENTS

The worsted yarn segment of Textile Industry is moving ahead and likely to grow fast in coming years. The turn of woollens as a fashion fabric in global as well as domestic markets, coupled with renewed attention on speciality and high value added yarns will be growth drivers for woollen division of the Company. The Company is proposed to capture the growth potential through its wide range of products of worsted yarn by entering in foreign markets.

II) OUTLOOK

Consistent efforts are being made by the Woollens Division of the Company to ensure sustainable leadership for its products in global market. Woollen division has also initiated efforts to retain existing customers base and contacting newer customers in overseas market with different product range in worsted yarn so as to achieve improved performance and profitability in the ensuing period. The yarn division situated at Raila has also started production during the financial year and expected to grow satisfactorily.

III) OPPORTUNITIES, THREATS, RISK AND CONCERNS

In the current age of liberation and globalization your board considers it appropriate to explore new business areas / opportunities to broad base investment and industry presence, to attain its main purpose of delivering long term value to the shareholders of new improved means as etc.

Growth prospects of the Woollen & Yarn divisions of the Company are bright due to ongoing efforts of management for improving operational efficiency, cost reduction and better management of available financial resources. Your company is expecting improved performance of woollen division as well as yarn division in

the coming years.

The Company's yarn division situated at Village Raila, Dist. Bhilwara has started its production, which had been closed due to workers' strike and it is a major concern for the management.

Significant presence of small suppliers which has reduced the bargaining power, threat from unorganized sector & Low cost substitute products from other countries are also factors of concern for management.

IV) CHALLENGES

The company is expected to encounter various challenges including rising input costs, restrictive labour laws and intensified competition from other low cost countries. The Company has started production at yarn division situated at village Railain district Bhilwara, which had been closed due to workers' strike and to maintain operations at abovementioned unit is big challenge towards company.

V) INTERNAL CONTROL SYSTEM

The company remains committed to ensure an effective internal control that provides assurance on the efficiency of operations and security of assets. Your company's well established and robust internal audit processes, both at business and corporate levels, continuously monitor the effectiveness of the internal control environment across the company and the status of compliance with operating systems, internal policies and regulatory requirements. The company has also undertaken steps to implement new control measures in line with best global practices.

VI) HUMAN RESOURCE DEVELOPMENT

INDEPENDENT AUDITORS' REPORT

To

The Members of

Modern Threads (India) Limited

Report on the Ind AS Financial Statements

We have audited the accompanying financial statements of Modern Threads (India) Limited ("the Company"), which comprise the Balance Sheet as at March 31st, 2018, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement, and the Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant Rules framed there under this responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS Financial Statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Ind AS financial statements.

Basis for Qualified Opinion

- (i) The company has not provided for Dividend on cumulative redeemable preference shares amounting to ₹ 140.38 lakhs for the year (₹ 3,088.25 lakhs up to 31.03.2018). (Note No.17.3b)
- (ii) Balances of trade payables and trade receivables are subject to confirmation and consequential adjustments, if any. (Note No. 16.1 & 9.2)

The total impact of above para (i) without considering para (ii) for which impact could not be determined, the profit for the year would have been ₹ 604.22 lakhs (as against reported profit of ₹ 744.60 lakhs) and other equity would have been (₹ 22312.61) Lakhs (as against the reported figure of (₹ 19224.36) Lakhs) and Other Current financial liabilities would have been ₹ 8631.09 lakhs (as against reported figure of ₹ 5542.84 lakhs.)

Emphasis of Matters

We draw attention to Note 28 that the company had made a reference to the Board of Industrial and Financial Reconstruction (BIFR) based on audited accounts for the financial year ended 31st March, 2004 and BIFR in the hearing held on 12th December, 2005 had declared the company as sick industrial company u/s 3(1)(o) of the SICA Act.

Consequent to abatement of Sick Industrial Companies (Special Provision) Act, 1985, the company has not filed rehabilitation/ revival scheme to NCLT under Insolvency and Bankruptcy Code. The company has accumulated losses with its net worth continuing to stand fully eroded and the financial statements of the company have been prepared on going concern as the Debentures, term loan and accrued interest has been settled and only balance ₹ 75 Lakhs is payable in FY 2018-19. The company is expecting compliance of term of settlement and liability will be written back on discharge of full payment.

Our opinion is not qualified in respect of this matter.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2018, its Profit including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

Annexure - B to the Independent Auditors' Report on Financial Statements of Modern Threads (India) Limited

Report on the Internal Financial Controls, under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Modern Threads (India) Limited ("the Company") as of 31st March 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

NOTE-1

COMPANY OVERVIEW

Modern Threads (India) Limited is a Public limited company incorporated on 28th August, 1980 having its registered office at A-4, Vijay Path, Tilak Nagar, Jaipur, Rajasthan, India. The Company corporate identification No. is L17115RJ1980PLC002075. The company manufactures and sells mainly Worsted and Synthetic Yarn and Wool Tops.

Standards issued but not yet effective and have not been adopted early by the Company

Ind AS 115 'Revenue from Contracts with Customers' (Effective for annual periods beginning on or after 1 April 2018):

Ind AS 115 provides a single, principles based five-step model to be applied to all contracts with customers. The five steps in the model are as follows:

- Identify the contract with the customer;
- Identify the performance obligations in the contract;
- Determine the transaction price;
- Allocate the transaction price to the performance obligations in the contracts;
- Recognise revenue when (or as) the entity satisfies a performance obligation.

Guidance is provided on topics such as the point in which revenue is recognised, accounting for variable consideration, costs of fulfilling and obtaining a contract and various related matters. New disclosures about revenue are also introduced. "The Company is in the process of assessing Ind AS 115's full impact and intends to adopt Ind AS 115 no earlier than the accounting period beginning on or after 1 April 2018

Ind AS 21 – 'The effect of changes in Foreign Exchange rates' (Effective for annual periods beginning on or after 1 April 2018):

The amendment clarifies on the accounting of transactions that include the receipt or payment of advance consideration in a foreign currency. The appendix explains that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non-monetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt.

The Company is in the process of assessing Ind AS 21's full impact and intends to adopt Ind AS 21 no earlier than the accounting period beginning on or after 1 April 2018.

NOTE-2

SIGNIFICANT ACCOUNTING POLICIES

A) Statement of compliances

Upto the year ended March 31, 2017, the Company has prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016.

Refer Note: 38 for the details of first-time adoption exemptions availed by the Company.

In accordance with Ind As 101, the company has presented the reconciliation from previous GAAP to Ind AS for the year ended March 31, 2017. (Refer Note 39)

B) Basis of preparation of Accounts

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by Ind AS. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Fair value: Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or liability, the Company takes in to account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these consolidated financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurement that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition for financial reporting purposes, fair value measurement are categorized into level 1, 2 and 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly, and
- Level 3 inputs are unobservable inputs for the asset or liability.

C) Functional and Presentation Currency

The financial statements are prepared in Indian Rupees ("INR") which is the Company's presentation currency and the functional currency for all its operations. All financial information presented in INR has been rounded to the nearest lakhs with two decimal places unless stated otherwise.

D) Classification of Assets and Liabilities as Current and Non Current

All Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of product & activities of the Company and their realization in cash and cash equivalent, the Company has determined its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

E) Use of estimates and critical accounting judgements

In preparation of the financial statements, the Company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected. Significant judgements and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets and investments, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

F) Property, plant and equipment

i Recognition and measurement

Freehold land is carried out at historical cost. All other items of PPE are measured at cost less accumulated depreciation and any accumulated impairment losses, if any the cost of an item of PPE comprises:

- a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- b) any cost directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management are recognised in profit or loss. The company has elected to continue with the carrying value of all its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transition date pursuant to the exemption under Ind AS 101. Any gain or loss on disposal of an item of PPE is recognised in profit and loss.

ii Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

G) Depreciation and amortisation of property, plant and equipment and intangible assets

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on PPE (other than leasehold land) has been provided based on useful life of the assets in accordance with Schedule II to the Companies Act, 2013, on Straight Line Method except in respect of Plant and Equipment where the useful life is considered differently based on an independent technical evaluation as 10 to 15 years. Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate. Profit and loss on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.

H) Leases

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognised as operating lease. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term, unless the lease agreement explicitly states that increase is on account of inflation.

I) Impairment of Assets

At each balance sheet date, the Company reviews the carrying values of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in

order to determine the extent of impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs. Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognised in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount. Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised in the statement of profit and loss immediately

J) Employee benefits

Defined contribution plans Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

Defined benefit plans

For defined benefit retirement schemes the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each balance sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognised immediately in other comprehensive income. The service cost and net interest on the net defined benefit liability/(asset) is treated as a net expense within employment costs. Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier. The retirement benefit obligation recognised in the balance sheet represents the present value of the defined-benefit obligation as reduced by the fair value plan assets. Compensated absences Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised based on actuarial valuation at the present value of the obligation as on the reporting date.

K) Inventories

Raw materials, packing materials and stores, work in progress, traded and finished goods are stated at the lower of cost and net reliable value, cost is calculated on moving weighted average basis. In respect of finished goods, cost includes materials, appropriate share of utilities, other overheads and applicable excise duty. Cost of inventories comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Net reliable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

L) Provisions

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is material, provisions are measured on a discounted basis.

M) Taxation

Tax expense for the year comprises current and deferred tax. The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences. In contrast, deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized.

The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax

laws that have been enacted or substantially enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to cover or settle the carrying value of its assets and liabilities.

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction. Current and deferred tax are recognised as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity. Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. MAT is recognised as deferred tax assets in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised

N) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes or duties collected on behalf of the government.

Sale of goods

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer. No revenue is recognised if there are significant uncertainties regarding recovery of the amount due, associated costs or the possible return of goods.

Interest income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

O) Foreign currency transactions and translations

The financial statements of the Company are presented in Indian rupees (₹), which is the functional currency of the Company and the presentation currency for the financial statements. In preparing the financial statements, transactions in currencies other than the Company's functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at the end of the reporting period. Nonmonetary items carried at fair value that are denominated in the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

Exchange differences arising on translation of long term foreign currency monetary items recognised in the financial statements before the beginning of the first Ind AS financial reporting period in respect of which the Company has elected to recognise such exchange differences in equity or as part of cost of assets as allowed under Ind AS 101 - "First time adoption of Indian Accounting Standard" are recognised directly in equity or added/deducted to/from the cost of assets as the case may be. Such exchange differences recognised in equity or as part of cost of assets is recognised in the statement of profit and loss on a systematic basis. Exchange differences arising on the retranslation or settlement of other monetary items are included in the statement of profit and loss for the period.

P) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

Q) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker regularly monitors and reviews the operating result of the Company as "Woollen", "Yarn" and "Others".

R) Financial Assets

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired. A financial asset is considered to be impaired, if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

34.3 Fair Value Hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are whether observable or unobservable and consists of the following three levels:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2: Inputs are other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. prices) or indirectly (i.e. derived from prices).

Level 3: Inputs are not based on observable market data unobservable inputs. Fair value are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The investment included in Level 3 of fair value hierarchy has been valued using the cost approach to arrive at their fair value. The cost of unquoted investment approximate the fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range.

The following table summarizes financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured on fair value on recurring basis (but fair value disclosure are required)

35 Financial Risk Management

The Company's Financial Risk Management is an integral part of how to plan and execute its business strategies. The Company's financial risk management is set by the Managing Board. The Company's principal financial liabilities comprise loans and borrowings, trade payables and other payables. The main purpose of these financial liabilities is to finance the company's operations. The company's principal financial assets include trade & other receivables and cash and short term deposits.

i) Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers and other counter parties, taking into account financial conditions, current economic trends and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information. Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

ii) Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows and by matching the maturity profiles of financial assets and liabilities.

36 Goods and Service Tax

Effective from 1st July, 2017, sales are recorded net of GST whereas earlier sales were recorded gross of excise duty which formed part of expenses. Hence, revenue from operations for the year ended 31st March, 2018 are not comparable with the previous year corresponding figures.

37 Figures for previous years have been regrouped/rearranged/restated wherever considered necessary to make them comparable with the figures for the current year and for compliance of Ind AS.

38 First time adoption of Ind AS

These are the Company's first financial statements prepared in accordance with Ind AS. The Company has adopted Indian Accounting Standards (Ind AS) notified by the Ministry of Corporate Affairs with effect from 1st April, 2017, with a transition date of 1st April, 2016. Ind AS 101-First-time Adoption of Indian Accounting Standards requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements which is for the year ended 31st March, 2018 for the company, be applied retrospectively and consistently for all financial years presented. Consequently, in preparing these Ind AS financial statements, the Company has availed certain exemptions and complied with the mandatory exceptions provided in Ind AS 101, as explained below. The resulting difference in the carrying values of the assets and liabilities as at the transition date between the Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity)."

38.1 Exemptions availed on first time adoption of Ind-AS 101

The company in applying IND AS principle for measurement of recognised assets and liabilities is subject to certain optional exemptions apart from mandatory exceptions, availed by the company as detailed below -

a Deemed cost of property, plant and equipment :

Ind AS 101 permits a first time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to IND AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for decommissioning liabilities.

Accordingly, the company has elected to measure all of its property, plant and equipment at their previous GAAP value.

b Estimates

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at 1 April 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:

- Impairment of financial assets based on expected credit loss model
- Determination of the discounted value for financial instruments carried at amortised cost.

c Classification and Measurement of financial assets

Ind AS 101 provides exemptions to certain classification and measurement requirements of financial assets under Ind AS 109, where these are impracticable to implement. Classification and measurement is done on the basis of facts and circumstances existing as on the transition date. Accordingly, the Company has determined the classification of financial assets based on facts and circumstances that exist on the transition date.

39 Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following following tables represent the reconciliations from previous GAAP to Ind AS.

40 Notes to reconciliation of equity and total comprehensive income
1 Excise duty

As per Ind AS 18 Revenue should include excise duty hence the same is added back in revenue and shown separately on face of P&L.

2 Employee Benefits

Both under Indian GAAP and Ind AS, the company recognized costs related to its post employment defined benefits plan on an actuarial basis. Under Indian GAAP the entire cost including actuarial gain/loss are charged to profit or loss. Under Ind AS, remeasurements are recognized in other comprehensive income.

3 Other Equity

Retained Earnings as at 1st April 2016 has been adjusted to the above Ind AS transition adjustments. Refer 'Reconciliation of Total Equity' as at 31 March 2017 and 1st April 2016 as given above.

4 Other Comprehensive Income

Under Indian GAAP the concept of Other Comprehensive Income was not exist. Hence Indian GAAP profit or loss is reconciled to total comprehensive income.

5 Sale of goods

Under Indian GAAP, sale of goods was presented as net of excise duty. However, under Ind AS, sale of goods includes excise duty. Excise duty on sale of goods is separately presented on the face of Statement of Profit and Loss

6 Reclassification of assets and liabilities as per schedule III division II of the Companies Act, 2013

Fixed deposits with banks with maturity between 3 to 12 months have been reclassified from cash and cash equivalent to other balances with Bank.

7 Statement of Cash Flows

The impact of transition from Indian GAAP to Ind AS on the Statement of cash flow is mainly due to various reclassification adjustments recorded under Ind AS in balance Sheet, Statement of Profit and Loss and differences in the definition of cash and cash equivalents in Ind AS and Indian GAAP.
